

AMBASSADOR CLUB

WIN Ambassadors are volunteers from the community that serve on welcome committees, help with membership campaigns and act as public relations liaisons related to networking/social events sponsored by WIN.

WIN Ambassadors are the most outgoing, pro-active members in the WIN family. They project a positive image for the organization and perform a wide variety of duties in the organization, but their main function is to help promote WIN, welcome new members to WIN and make WIN events successful and enjoyable for our members
